Applicant: Schulman

Serial No.: 09/397,898

Filed: September 17, 1999

Examiner: Nathan W. Ha

Hon. Assistant Commissioner of Patents and Trademarks
Washington, D.C. 20231

15 Sir:

In response to the non-final Office Action dated April 10, 2003, having a shortened-statutory response period extending through and including July 10, 2003, please consider the following remarks. Included with this response is a request for a one-month extension of time and requisite fees.

All of these factors must be present, or a case of anticipation is not met. Thus, "[a]nticipation requires the disclosure in a single prior art reference of each element of the claim under consideration." *W.L. Gore & Associates v. Garlock, Inc.*, 721 F.2d 1540, 220 USPQ 303 (Fed. Cir. 1983). It is not enough, however, that the prior art reference disclose all the claimed elements in
